Department for Education

We have had an Amazing start to 2023!!

Students and staff are all settling in reconnecting with friends and making new ones. Establishing class routines, positive relationships and learning expectations have been a priority this fortnight and it will set up all our students for a successful year. We have really appreciated parents popping in to say "Hello" and reconnecting with the school.

Please find below a summary of some of the key points that we will cover in more detail over the term:

- Our Site Improvement Priorities will continue to be on Reading and Numeracy across all year levels
- We held a Reading Info Night for Foundation parents to explain the move from Levelled Readers to Decodable Readers, which is based on the Science of Reading
- Whole School assemblies will take place once a term in weeks 9, except term 4 when it will be in week 8. There will be other smaller assemblies that we will promote
- Make sure you're signed up for School Stream to get all updates
- Private Class Facebook group invites have gone out, so please check your requests
- We encourage all parents and carers to make a time to meet if you have any questions, our staff are keen to work closely with you all.
- If you are keen to get involved please enquire about joining the Governing Council or the Parent Club

Have a great weekend everyone and I look forward to seeing you around.

Maciej
