## Week 1 Term 2 2020

Welcome back to Term 2. A few weeks ago things were looking very different and at one stage we were unsure as to when we would start Term 2, but thankfully we currently have 85+% of our students attending school safely. We are having the students wash their hands regularly, the cleaners are coming in throughout the day for an extra clean and we are encouraging social distancing where we can – please understand that it is not always possible in schools, and it is no longer required in schools, but we are still doing what we can to minimise risks. Given that the weather has cooled, we are now hoping that our students don't fall ill to the common flu or other general bugs, so the above mentioned happenings will help to minimise that, as well as students being appropriately dressed. We have a uniform day next Friday 8th if families need to purchase jumpers for their child/ren. Please ensure all school clothing is NAMED.

I remind parents that while the restrictions related to COVID-19 are in place, parents, grandparents or carers are **NOT** to be within the school gates. If you have any concerns or questions regarding your child/ren, please ring and we can help you resolve the missing hat, ensure the readers are being taken home and changed etc. The flip side to all of this from our point of view, is seeing the growth in the students' independence and organisational skills. They are all doing a fabulous job of sorting themselves in the mornings and afternoons and the teachers have commented on how well our younger students are coping with it all – they are amazing and you should be proud parents.

The last week of term 1 saw teachers utilise 4 student free days to organise work for our students. The way the teachers and SSO's worked collaboratively that week was phenomenal. It was exhausting due to the busyness of it all, but I was very impressed with how the week ran smoothly for the benefit of our students.

Thank you to all of the parents for being so supportive of the teachers and staff during this time – we've tried to keep you as updated as possible, but I also know that there was a bombardment of information that potentially caused some confusion too. Again, thank you for being so supportive.

This week, we have welcomed Cooper and Eli Edwards to our school. They have come from Lobethal PS and as year 3's, have joined Room 11.

This week, we have given out ANZAC certificates and students have participated in a small ceremony in the ANZAC garden to commemorate ANZAC day, photos are on the back of this letter. Well done to all students who received a certificate.

There will be a full newsletter next week, and every even week from then on.
