

2023 School Improvement Plan Summary

Crystal Brook Primary School

Goals	Targets	Challenge of Practice	Success Criteria
To increase the number of students achieving Standard of Educational Achievement (SEA) and High Bands (HB) in Reading.	2022: In year 3 NAPLAN Reading, 79% of students achieved SEA exceeding the target of 72%. In year 3 NAPLAN Reading, 36% of students achieved HB not reached the target of 50%. In year 5 NAPLAN Reading, 78% of students achieved SEA exceeding the target of 74%. In year 5 NAPLAN Reading, 22% of students achieved HB not reached the target of 42%.	If we have a consistent, systematic and sequential approach to teaching of reading with a focus on all aspects of word recognition and language comprehension (Scarborough’s Rope) then we will increase the number of students achieving SEA and HB in reading.	<ul style="list-style-type: none"> Students will recognise letter sounds (phonemes) when reading to an adult Students will decode at a level that meets the green or blue benchmark on the NWF DIBELS measure. Students will read fluently and comprehend at or above the expected standard for their age when reading to an adult or completing class quizzes based on previous PAT and NAPLAN Reading tests.
